EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marvin Berkowitz on June 25, 2004.

The application has been amended as follows:

In claim 1, on line 7, -- on -- between "supplies ink" and "the surface" has been replaced by "from an interior of said drum to".

The following is an examiner's statement of reasons for allowance: The prior art does not teach or render obvious a stencil printing machine as claimed particularly including a drum with an outer peripheral wall formed by an ink impermeable member, and an ink supply device which supplies ink from an interior of the drum to the surface of the outer peripheral wall of the drum.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jill E. Culler whose telephone number is (571) 272-2159. The examiner can normally be reached on M-Th 8:30-5:00.
